Some challenges

During my trip I was sick with Malaria but thank God I recovered quickly

There were some difficulties of travelling to the Kontha village due to bad roads and mechanical issues

My wife Hannah's visit to Kontha

We thank God that we were able to donate food supplies and medical needs for Women and children in need in the Kontha village during Christmas

Mr John B Fullah

During my visit I met Mr John B Fullah who has 2 children ages 7 & 11 and they survive through farming. He has Lymphatic filariasis also known as “Elephantiasis” and has been living with this for over 8 years now and has not received any medical attention. He is seeking help for medical assistants and prayers.

Late Ramatu & Pa Marker family visit

I visited the mother of late Ramatu Turay the girl we were providing medical support for.
